

TIMPANOGOS CONCURRENT ENROLLMENT OFFERINGS

The following courses are offered concurrently, which means the student can earn both high school AND college credit at the same time. Students register for the course here at THS with their counselor during regular registration. The student then has to sign up online for UVSC, Weber State, or Salt Lake Community College for the concurrent class. Information on how to apply is available from the counselor or the Concurrent Enrollment Facilitator. The class is taught by a THS teacher and it follows our school A/B schedule. At the end of the year, the grades are transferred to the individual colleges, where they remain on the student's permanent transcript.

THS TEACHER	THS Course Title	College Course Number	College Course Title	College Credits	Gr Level may be taken in the
Bott, C	Pro Start (82543)	HM 1180	Food and Beverage Mgt.		11, 12
