

A. Course Outline

Environmental Science is an introductory course into the study of our world and how we interact with that world. It is a multidisciplinary field that uses applied science to help solve problems and achieve goals. We will focus on our natural resources and how our actions in using those resources affect the environment.

B. Materials

1. Pen and Pencil (#2)
2. Notebook with lined and unlined paper
3. Lab fee (paid at registration)
4. Calculator

C. Homework (Recommended minimum of 30 minutes per class period)

1. Read assigned pages before class discussion or review. Take notes on reading sections. Notes may include vocabulary, important ideas, or questions about the subject.
2. Study previous days' notes and laboratory investigations in preparation for quizzes and tests.
3. Complete any assignments given as homework or unfinished class assignments.

D. Classroom Policies

1. Be where you are supposed to be and do what you are supposed to do when you are supposed to do it.
2. Respect the rights and property of all individuals in the class.
3. Follow the school policies.
 - a. No electronic communication devices are to be used in class. **If they are used or heard, you will lose your participation points for the day. On the second offense, the device will be confiscated.**
 - b. Do not use calculator games in class or **your calculator's memory will be cleared.** Leave your toys, cards, and games at home.
 - c. No food or drink in class, unless you are providing for all in the class.
 - d. Follow the dress and grooming standards of the school.
5. Follow proper lab safety procedures. The basic lab safety procedures are posted in the room. Students who are unwilling to follow safety procedures will not be permitted to do lab assignments. There will be no make-up work given.
6. Integrity in your school work is very important. Any students cheating/copying will receive a zero on the assignment/test.

E. Grading

All assignments, labs, and tests will be graded and returned within a one week period of time.

1. Assignments and Participation (40% of the grade)

You can expect that each class period you will be responsible for assignments, notes, and labs. **Late work will receive 1/2 credit.**

Participation:

All students will be expected to engage in all classroom discussions and activities. Participation points will be given for responsible student behavior and, of course, classroom participation. Ten points will be available each day. At the teacher's discretion, points may be withheld for classroom disturbances, inattention, violation of rules, inappropriate behavior, or any lack of participation.

2. Tests and quizzes (60% of the grade)

At the first of each class period you will be required to take a quiz and/or turn in homework. **If you are tardy you will not be allowed to take the quiz.** The quizzes will cover material of the previous periods, assigned reading from the text, and labs completed. At the end of each unit you will take a test. The tests will include information from the class notes, reading assignments, labs, and other class activities. Most of the questions will be multiple choice and short answer, with some lab based questions. You will be given a list of objectives to study at the beginning of each unit. All make-up tests, for students with excused absences, will be given by appointment with Mr. Louder.

3. You may earn up to 50 points, per term, for attending or participating in extra-curricular events. You receive 10 points per event. This is the only extra credit available.
4. Letter grades upon the following percentages:

94% = A	82% = B	70% = C	58% = D
90% = A-	78% = B-	66% = C-	54% = D-
86% = B+	74% = C+	62% = D+	Below 54% = F
5. You will be given midterm reports and final grades. You are welcome to come in to discuss your status in the class and receive any review help before or after school.

F. Attendance and Citizenship

ATTENDANCE

The Timpanogos High School attendance policy will be followed in this class. Please refer to your student handbook for the full attendance policy document. **Each student will be expected to adhere to the Timpanogos High School attendance policy.** If the student comes in late, it is his/her responsibility to guarantee the absence is changed to a tardy by leaving a note on the teacher's desk or reminding him in person before the end of class.
